1. GENERAL

1.1 These General Conditions of Sale shall apply to all supplies of Products and Services of HEMRO International AG, Länggenstrasse 34, CH-8184 Bachenbülach („HEMRO“) to Customer. They shall also apply to all future contracts even when no express reference is made.

1.2 Deviating or supplementary conditions, such as Customer's General Conditions of Purchase, or verbal agreements shall only be binding if accepted by HEMRO in writing. Any communication transmitted via facsimile or electronically (e.g., via the Internet, including but not limited to EDI, cXML, e-mail) shall be considered "in writing".

2. FORMATION OF CONTRACT, MINIMUM PURCHASE, PRODUCT CHANGES

2.1 HEMRO shall be bound only to offers specifying a period for acceptance. Customer's order must be firm for at least 10 days after receipt by HEMRO.

2.2 In case of order values (exclusive of taxes, other dues and costs of transport) below CHF 500.--, HEMRO reserves the right to charge a handling fee of CHF 40.--.

2.3 HEMRO's confirmation of order shall govern the scope and execution of the contract.

2.4 HEMRO may deviate from the agreed specifications and supply technically improved Products, as long as the improved Products have no negative impact on price, function and quality of the Products.

3. TECHNICAL DOCUMENTS, COPYRIGHT

HEMRO reserves all intellectual property rights in the documents supplied to Customer. Without HEMRO's consent these documents may neither be made available to third parties or used to manufacture copies of the Products. At its request, technical documents which had been made available in tangible form are to be returned to HEMRO.

4. LOCAL LAWS AND REGULATIONS

Customer shall in due time bring to HEMRO's attention any laws or regulations at the place of destination, in particular relating to safety, health or regulatory approvals required for the Products.

5. PRICE, TERMS OF PAYMENT, NO SET-OFF

5.1 The Prices are based on the agreed Incoterm (2010 or latest edition); in the absence of an agreed Incoterm they are understood FCA place of production.

5.2 Payments are to be effected at the agreed dates, failing such agreement, within 10 days following notification of readiness of despatch (prepayment).

5.3 If Customer is more than 14 calendar days in arrear in effecting payment or in providing an agreed security, the balance of the total Contract Price shall become due.

5.4 Customer may only withhold or set-off payments against counter claims which are either expressly acknowledged by HEMRO or judicially awarded to Customer by final judgment. Provided it has no material impact on the use of the Products, the delay of an insignificant part of the supplies does not entitle the Customer to defer payments.

6. RESERVATION OF TITLE

6.1 Until payment in full the Products shall remain HEMRO's property. HEMRO shall be entitled to register and do all things necessary to preserve its property rights. Prior to the transfer of title, Customer shall not be entitled to pledge, grant security interests, process or alter the Products.

6.2 Should the Customer resell Products to which title is reserved in the ordinary course of business, he shall be deemed to have tacitly assigned to HEMRO the receivables deriving from their sale, together with all collaterals, securities and reservations of title until all of HEMRO's claims towards Customer have been settled. Up to HEMRO's revocation, this

assignment shall not preclude Customer's right to collect the assigned receivables. To the extent the value of the Products to which title is reserved together with any other collateral exceeds HEMRO's claims against the Customer by more than 20%, HEMRO shall re-assign the above receivables to Customer at his request.

6.3 If Customer is in arrear with its payments by more than 14 calendar days, HEMRO may cancel the contract and request the return of the Product at Customer's cost and claim damages for breach of contract in the amount of at least 25 % of the Price of the Product.

As long as title is reserved to HEMRO, Customer shall insure the Products at its cost and naming HEMRO as beneficiary against theft, breakage, fire, water and similar calamities and risks. In addition, he will take all other measures reasonably required to protect HEMRO's property.

7. DELIVERY PERIOD, DELAYS IN DELIVERY AND ACCEPTANCE

7.1 The term of delivery shall commence as soon as the contract has been concluded, all regulatory approvals, such as export-, import- and payment permits have been obtained, any advance- or prepayments or the notification of the issue of the letter of credit have been received by HEMRO and soon as all technical documents agreed between the Parties have been supplied or approved by Customer.

7.2 Delivery is subject to the following conditions, i.e. the term of delivery shall be reasonably extended

a) if HEMRO is prevented from performing the contract by Force Majeure. Force majeure shall equally be deemed to be any unforeseeable event beyond HEMRO's control which renders HEMRO's performance commercially unpractical or impossible, such as delayed or defective supplies from subcontractors or subsuppliers, labour disputes, governmental orders or regulations, shortage in materials or energy, serious disruptions in HEMRO's works, such as total or partial destruction of plant and equipment or the breakdown of essential production facilities, serious disruptions in transport facilities, e.g. impassable roads. Should the effect of Force Majeure exceed a period of three (3) months, either Party may terminate the contract forthwith. In such case Customer may not claim damages.

b) if Customer is in delay with the fulfilment of his obligations under the contract, in particular, if he does not adhere to the agreed terms of payment or if he has failed to timely provide the agreed security.

7.3 If for reasons attributable to HEMRO the agreed term of delivery or a reasonable extension of not less than one month granted by Customer is exceeded, Customer may exert its rights at law.
